p. 608.729.1200 f. 608.729.1205 ulgm@ulgm.org www.ulgm.org

## **DESCRIPTION OF 2019 ACTIVITIES**

⊜	<b>OUR VISION</b> Make Greater Madison the "Best [place] in the Midwest" for everyone to live, learn, and work.
	<b>OUR MISSION</b> Ensure that African Americans and other community members are educated, employed and empowered to live well, advance professionally and contribute to the common good in the 21st Century.
	OUR AGENDA
	<b>Educate</b> : To support and enhance the learning experiences of our youth in the classroom and the community so that they are prepared to realize their full potential in life.
	Home Ownership Programs • Placemaking & Community Engagement Activities • Scholarships & Awards • Advocacy • Cultural Events • and more!
	<b>Employ</b> : To ensure that African Americans and others of working age are able to identify, train for and secure employment in stable and emerging industries.
	Career Readiness Training • Industry-Specific Academies • Job Placement Assistance • Job Coaching • Diversity & Inclusion Services for Employers • and more!
	<b>Empower</b> : To ensure that people of color are adequately empowered with the opportunity to transform their own communities, participate in social and cultural activities, and contribute to the common good of our region.
	Home Ownership Programs • Placemaking & Community Engagement Activities • Scholarships & Awards • Advocacy • Cultural Events • and more!

### Educate

Our Educate agenda is designed to ensure a pipeline of cradle to career educational supports that positively impact the entire family, eliminate the achievement gap, move all children towards high performance, and prepare them for success.

*Schools of Hope Middle School Academic Tutoring:* One-on-one and small group literacy and mathematics tutoring that helps students improve their academic performance and readiness for high school, college, and career. As a key part of the United Way's Agenda for Change, the Schools of Hope program operates in 11 middle schools in the Madison and Sun Prairie school districts.

*Funding Sources: United Way, Madison Metro School District, City of Madison, General Fundraising Number Served: 701* 

*Youth Resource Centers (a partnership with MSCR):* The Urban League helps operate MSCR Youth Resource Centers in ten MMSD schools. Each center provides tutoring and homework clubs, special interest clubs, leadership development, and recreational activities during the high-risk after school hours.

#### Funding Sources: Madison School & Community Recreation (MSCR)

*21st Century Careers Program:* After-school and summer programming that provides low-income and potential first-generation college students with opportunities to explore career and college pathways. Youth receive academic support, explore college and career options, visit college campuses, and learn job skills through summer career awareness internships. More than 90 percent of students who participate indicate that they are now see college as more likely in their future.

Funding Sources: Dane County Human Services, Local Businesses, General Fundraising Number Served: 179

*Other Educate Initiatives:* The Urban League also advocates for systemic educational reforms, leads and partners with other organizations, operates multiple college scholarship programs, hosts youth engagement and leadership initiatives such as the MLK Youth Call to Service & MLK Youth Breakfast (400 participants), STEAM Camp (33 participants), My Brother's Keeper Gaming & Coding Day (100 participants).

#### **Employ**

Our workplace diversity and inclusion strategy is designed to train and develop a diverse workforce at all levels, provide diversity and inclusion coaching and support to employers, and ensure equitable access to career ladder employment for everyone in our community. The three key components of our strategy include:

- 1. Job Counseling and Training Services
- 2. Job Placement and Coaching Services
- 3. Diversity and Inclusion Services

**ADVANCE Employment Services** provides unemployed and under-employed adults with the job training, job placement, and individualized coaching needed to secure new or better employment while simultaneously helping local employers address their needs for a skilled and diverse workforce. The program offers: targeted outreach to under-served populations including low-income parents; work readiness assessments; individualized employment planning; individualized and modularized foundational work readiness training; accelerated career academies focused on in-demand industries and occupations; fatherhood development programming for non-custodial fathers; job search and job placement assistance: job retention and advancement case management; and a network of referral partners for adult education/GED, housing, and other support services. Another distinctive feature of our work is strong business engagement through a local and national network; featured

employer seminars; and workplace diversity & inclusion initiatives. The program served a total of 641 individuals with various intake, assessment, coaching, training, placement, and retention support. A total of 241 new individuals were placed into jobs during the year at average hourly wage rates of \$15.63.

Funding Sources: United Way, Dane County Department of Human Services (Fatherhood and FSET), City of Madison, Oscar Rennebohm Foundation, Alliant Energy Foundation, Businesses and other general fundraising Number Served: 502

*Featured Employer Seminars* highlight a local employer by providing information about their company, current and anticipated job openings, information about growth potential within the company, and guidance in navigating their application and hiring processes. Some employers also field applications and conduct interviews on-site using our 60-station computer labs, interview rooms, and meeting facilities.

*Workplace Diversity & Leadership Summit:* Wisconsin's premiere gathering of professionals committed to workplace diversity and inclusion. The annual Workplace Diversity Summit attracts H.R. professionals, managers, workforce development experts, emerging leaders, and senior executives. Professionals gather to explore local, state, and national best practices and learn how to foster diversity, spur innovation, and experience growth.

**RAMP Overview:** Thanks to a generous grant from the Oscar Rennebohm Foundation, the Urban League of Greater Madison launched a new effort in 2020 aimed at helping more Black Americans and other persons of color advance to the next step in their professional careers. RAMP is building on two critical elements within the existing Urban League infrastructure. First, it is leveraging the Urban League's long-standing workforce development experience and programming which has successfully helped over 1,000 job seekers secure entry-level jobs over the last few years. Second, it is utilizing the ULGM Young Professionals Network as the platform to engage more Black American young professionals and serve as the backbone for RAMP.

#### Empower

The empowerment strand of our agenda is focused on ensuring that people of color are adequately empowered with the opportunity to transform their own communities, participate in social and cultural activities, and contribute to the common good of our region. Some examples of our empowerment initiatives include:

*Single Family Home Ownership Program:* Our award-winning Home Ownership Program helps larger, low-income families work toward economic self-sufficiency through home ownership. This innovative program provides single-family housing with affordable rents and an option to purchase at the end of the program. Houses are purchased in various Madison neighborhoods, improved, and leased to qualifying families at less than market value. Participating families receive training and counseling. At the end of the program families may purchase the house at an affordable price with

no down payment. All appreciation in value and mortgage reduction benefits are passed directly to the participating family. In 2021, ULGM purchased and renovated 16 single family homes, most in South Madison. Those homes were sold to low and moderate income families who were unable to obtain traditional mortgage financing. ULGM is providing 7 years of financing, training, and counseling to help those families become successful homeowners and prepare to eventually obtain financing on their own.

Funding Sources: New Market Tax Credits, City of Madison, Mortgage Income, Private Donations Number Served: 16 families

Urban Empowerment Center: Financial & Homebuyer Education: The program is working with families of color and low-income families in the City of Madison who are looking to achieve and maintain greater economic security and build wealth through homeownership. ULGM provides high quality, culturally-responsive financial empowerment education and individualized counseling, help with household budgeting, help repairing credit and increasing savings, and guidance accessing affordable and appropriate financial services and homebuyer assistance programs. Programming includes cohort-style in-person group training and one-on-one counseling. In 2023, the National Urban League submitted an application on behalf of ULGM to become a HUD-Certified homeowners and financial education agency in the areas of: Pre-Purchase/Homebuyer Counselling and Home Maintenance and Financial Management for Homeownership; and in the Group Education areas of Financial Literacy Workshops, Pre-Purchase Homebuyer Education Workshops, and Non-Delinquency Post-Purchase Workshops. We may pursue other areas of training and counseling in the future based on community needs such as Resolving/Preventing Delinquency.

Funding Sources: City of Madison, Private Donations Number Served: 134 individuals

*The Black Business Hub* will be the Madison region's premiere enterprise center devoted to incubating, accelerating, and networking Black and other BIPOC entrepreneurs. The Hub is a 4-story, 80,000 square foot, state of the art center of commerce and entrepreneurism led by Black business owners and entrepreneurs. The Hub is strategically located at the southernmost gateway into downtown Madison, visible from the Beltline Highway, and located in the heart of Madison's oldest multi-cultural neighborhood. The Hub will be home to retail and other businesses owned by Black and other entrepreneurs of color ranging from start-ups to established business looking to expand and/or take on storefront locations for the first time. The Hub will also integrate mission-based commercial and retail uses including a wide variety of innovative economic and entrepreneurship activities including food, personal care, financial services, entertainment, technology, co-working space, a rentable commercial kitchen, and much more.

The Black Business Hub Accelerator will offer a place-based system of entrepreneurial supports including loans, grants, technical assistance, networking, and more. The Hub Accelerator Program also encompasses the Together We Build Wealth Fund, is a private donor fund established with an

initial legacy gift of \$50,000 to honor the memory of Sylvia T. O'Neill, a lifelong activist committed to equity for all. The fund is advised by a collaboration between Sylvia's daughter, Jan O'Neill, the Urban League of Greater Madison (ULGM), the Madison Black Chamber of Commerce, and many other committed community leaders. ULGM serves as fiscal agent for the fund. Construction on The Hub begin in 2022 with substantial completion of the core and shell of the building completed in the fall of 2023 and tenant buildouts ongoing throughout 2024-2026. The Black Business Hub Accelerator Fund, including the Together We Build Fund, made over \$400,000 in loans and grants to 8 small businesses in 2023.

Funding Sources: New Market Tax Credits, Dane County, City of Madison, State of Wisconsin (ARPA), Corporate and Foundation Grants, Private Donations

Number Served: Over 100 entrepreneurs served in 2023 with one or more coaching, training, grant, loan, and/or other technical assistance services.

*Other ULGM Community Engagement & Empowerment Programming:* ULGM coordinated a wide range of other community engagement, advocacy, and empowerment programming in 2023 including various environmental justice initiatives, get out the vote activities, vaccine education and access programming, and more.
